REMARKS:

Yukon Coroner's Service was called to attend the scene of a motor vehicle incident just off the Cowley Lake Road on the morning of Saturday, January 6, 2017. The incident involved a single vehicle which appeared to have driven over a steep embankment. The driver had exited the vehicle on foot and appeared to have been attempting to find her way back up the embankment when she succumbed.

The deceased has been identified as 69 year-old Lis Densmore who resided in the Cowley Lake Road area. An autopsy has been ordered and will take place later this week at Vancouver General Hospital.

Yukon Coroner Services extends its sincere condolences to the family and friends of Dr. Densmore.
