

Discussion Questions Response Form

Missing persons legislation

1. Do you think missing persons legislation would enhance how the police conduct missing persons investigations in Yukon? Why or why not?

2. What records should the RCMP be able to access? What shouldn't they be able to access?

Examples:

- *contact or identification information*
- *cell phone records, including call and Internet browsing history*
- *global positioning system tracking records (GPS)*
- *in-bound and out-bound text messaging*
- *video records (including closed-circuit surveillance video)*
- *information about travel or accommodation*
- *employment information*
- *financial information*
- *personal health information*
- *school attendance information*

3. Beyond the 10 common provisions listed in the Discussion Document, are there any others that should be included in missing persons legislation?

4. Are there any provisions included in missing persons legislation from Alberta, British Columbia, Manitoba, Nova Scotia, Newfoundland or Saskatchewan that Yukon should consider adopting? Conversely, what shouldn't be considered?
